August Modifications Committee Meeting Agenda

Mansouri – 5 Holly Leaf Court – Front Door

Replace the front doors with a single-entry door and sidelites.

Note: This application was reviewed and denied at the last meeting. The owner has altered the design on the front door to be more compatible with the village theme.

Meni – 9112 Willow Gate Lane - Driveway

Replace the current asphalt driveway with a paver driveway and extend/flare the left side of the driveway apron by 2.5'. The planned paver is Nicolock Granite City Blen with a Charcoal border or Techo Bloc Blu 60 smooth in Shale Grey with a Charcoal border.

Plushnick – 7807 Fox Gate – Radon Remediation Pipe

Install a 3" radon remediation pipe on the front of the home, between the garage and the balustrade.

Note: The pipe should be painted to match the trim/downspouts of the home. (McCormick "Amber White 101)

Walsh – 7921 Sandalfoot Drive – Garage Doors

Replace the existing garage doors with wood recessed panel doors to match the neighbors.
